## A PRIVATE BOARDING SCHOOL WITH HIGH ACADEMIC STANDARDS

For three generations, our family — the Lehmanns — has guided students to the German Abitur at the Kurpfalz Boarding School near Heidelberg, and since 1994 also at Schloss Torgelow. Our experience has shown us time and again that — beyond knowledge and education — discipline, tolerance and confident action open the doors to true success.

## CHILDREN NEED VALUES AND GUIDANCE

Our society is increasingly shaped by a loss of ideals and changing values. At Schloss Torgelow, we counter this trend every single day — with commitment, compassion, tolerance and social responsibility.

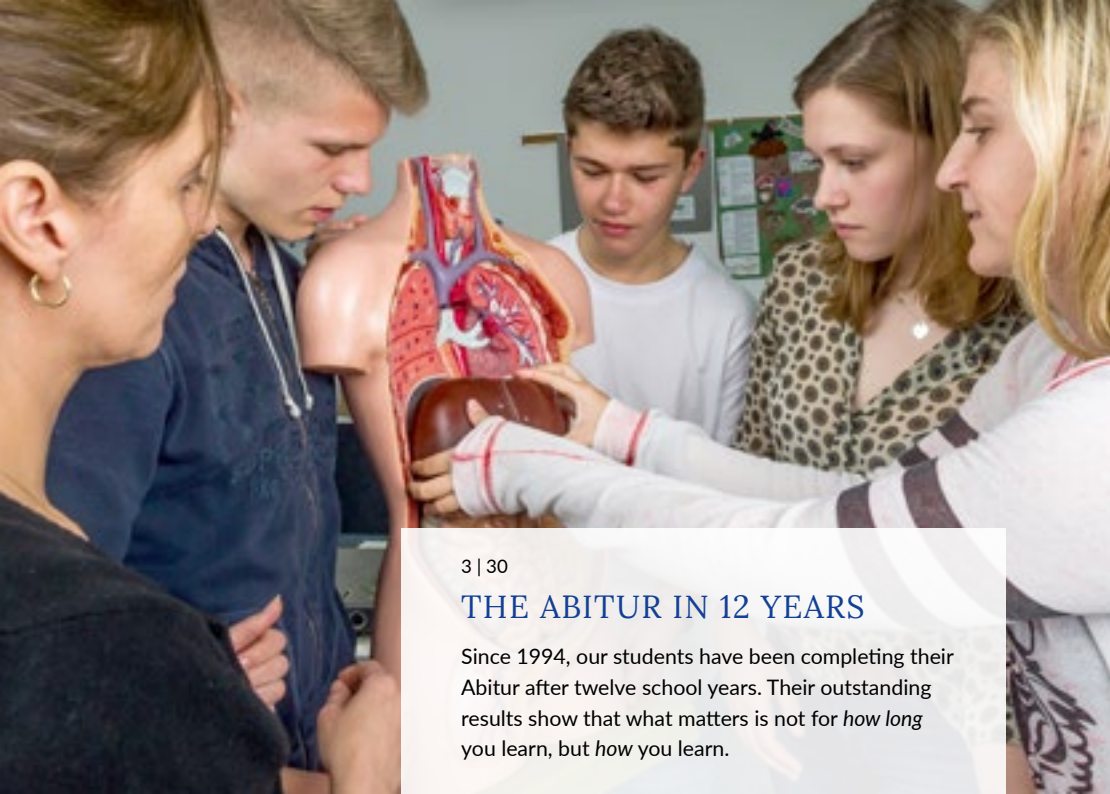

2 | 30

## SMALL CLASSES — BIG IMPACT

We teach in classes with no more than twelve students. This allows us to give each student the attention they deserve — challenging and supporting them individually. In this way, learning becomes personal and inspiring.

3 | 30

## THE ABITUR IN 12 YEARS

Since 1994, our students have been completing their Abitur after twelve school years. Their outstanding results show that what matters is not for *how long* you learn, but *how* you learn.

4 | 30

## MORE THAN JUST A DIPLOMA

We challenge our students to strive for excellence, to give their best, and to start shaping their future while still in school. Those who expect more from education will find the challenge they are looking for here.

5 | 30

## MODERN LEARNING WITH SMARTBOARDS

All our classrooms are equipped with innovative smartboards, projectors, and computer technology. Interactive collaboration, engaging presentations, and confident use of digital media are part of everyday life at Schloss Torgelow.

6 | 30

## LIFE IN A STRONG COMMUNITY

At Schloss Torgelow, younger and older students, girls and boys, each have their own living areas — called a “Mentorat.” Senior students live in the beautifully restored castle and the half-timbered Yellow House, while middle school students enjoy spacious, modern boarding houses.

7 | 30

## A HOUSE JUST FOR THE YOUNGEST

Our “House of the Future” is home to students in Years 5 to 7. It’s a lively, age-appropriate environment full of fun and friendship — with a three-story slide, a playroom, and even a cinema. A caring mentor team makes this a true “home from home.”

8 | 30

## RECOGNIZING TALENT AS AN OPPORTUNITY

Gifted students find their place in our community. We encourage them, challenge them, and value their individuality. At Schloss Torgelow, talented students receive the recognition they deserve.

9 | 30

## LEARNING FOREIGN LANGUAGES FLUENTLY

We offer six foreign languages: English, French, Latin, Spanish, and, on request, Russian and Chinese. Our students not only learn the language — they also gain a deeper understanding of different cultures.

10 | 30

## LEARNING IN THE EUROPEAN CLASSROOM

In Year 9, all students spend one third of the school year at Kingham Hill School in England. Immersed in the British school community, they strengthen their language skills, make international friends, and gain firsthand experience of English culture.

11 | 30

## CAMBRIDGE ESOL CERTIFICATES – YOUR ENTRY TICKET TO STUDY ABROAD

As the only German grammar school accredited as an *Internal Test Centre* by Cambridge University, we offer our students the opportunity to earn internationally recognized *Cambridge ESOL Certificates* (FCE, CAE, CPE). These qualifications open the door to university studies around the world.

12 | 30

## A DEDICATED AND PASSIONATE TEAM

At Schloss Torgelow, students feel comfortable and supported. Every day, they sense that the adults around them – teachers, mentors, trainers, workshop leaders, caretakers and chefs – love what they do. This positive atmosphere creates a strong sense of belonging and mutual respect.

13 | 30

## TEACHING IS A CALLING, NOT JUST A PROFESSION

A special school needs special teachers: dedicated, motivated and inspired by their work. As an official *teacher training school*, we also educate future teachers who will later join our team — professionals who see education as a vocation.

14 | 30

## PRIDE IN ACHIEVEMENT

We encourage our students to take pride in what they accomplish. Positive feedback is an essential part of our culture — it motivates students to give their best, to celebrate success and to set new goals for the future.

## 70 EXTRACURRICULAR ACTIVITIES EVERY WEEK

Our students enjoy over 70 extracurricular activities each week, offering a balance to academic life. Sports, crafts, and creative pursuits all play an important role. Everyone can find something they love and discover new passions along the way.

16 | 30

## LEARNING TO THINK AS A TEAM

Torgelow students regularly take part in activities with students from different year groups. Whether playing in a sports team, producing a music performance, conducting research or filming a short movie — they develop teamwork, creativity, and leadership skills.

17 | 30

## SPORTS — THE PERFECT BALANCE TO STUDY

Our modern sports facilities include a stadium with artificial turf and track, a small playing field, tennis courts, a large sports hall, a fitness centre, and a dance studio with mirrors. There's plenty of space to stay active, fit, and full of energy.

18 | 30

## LEARNING TO PLAY AN INSTRUMENT

More than two-thirds of our students learn a musical instrument. They perform in the school band, join instrumental groups, or sing in the 'Castle Choir'. Private lessons with professional music and singing instructors ensure artistic growth at a high level.

19 | 30

## DISCOVERING YOUR STRENGTHS

We place great emphasis on career orientation. Internships, career counselling, and guest lectures are integral parts of our program. Weekly “Abitur projects” and workshops offer additional qualifications in fields like business, law, biology, memory techniques, and public speaking.

20 | 30

## PLANNING A SUCCESSFUL CAREER PATH

At our annual *Career Day*, top public and private universities introduce themselves to our students. This direct contact helps them explore their options and make confident choices about where to study next.

21 | 30

## SUCCESS IN MEMORY TRAINING

Schloss Torgelow is the *most successful school in the world* in the field of memory sports. Our students have demonstrated their extraordinary skills in numerous competitions and TV shows — and we are immensely proud of their achievements.

22 | 30

## SECURITY AND CARE WITHIN A STRONG COMMUNITY

In addition to teachers, trained mentors care for our students around the clock. They are always there — day and night — to help with problems, ensure order and good manners, and provide attention, guidance, and reassurance whenever needed.

23 | 30

## LEARNING TO TAKE RESPONSIBILITY

Older students take responsibility for younger ones as mentors or tutors, and they also serve in the *Student Parliament*, in residential groups, or as assistants in the “House of the Future.” Responsibility and leadership are part of everyday life at Schloss Torgelow.

24 | 30

## ENCOURAGING YOUNG ENTREPRENEURS

In the upper school, our students participate in the *business@school* competition, an educational program of the Boston Consulting Group. They learn entrepreneurial thinking, to develop their own business ideas, and take these concepts all the way to market readiness.

25 | 30

## FRIENDSHIPS FOR LIFE

At Schloss Torgelow, students make friendships that last a lifetime. Even after graduation, our alumni form a strong and active network. Regular reunions keep them connected — personally, professionally, and across generations.

26 | 30

## LIFE IN UNTOUCHED NATURE

Far from the rush of the city, Schloss Torgelow lies directly on *Lake Torgelow*, surrounded by some of Germany's most beautiful countryside. Swimming, sailing, surfing, fishing, rowing and canoeing are simply part of everyday life here.

27 | 30

## A SCHOOL FOR ALL OF GERMANY

Schloss Torgelow welcomes students from all over Germany and abroad. Our private shuttle connections to Berlin and Hamburg ensure easy access from anywhere. Currently, students from 15 German states and several other countries are part of our vibrant community.

28 | 30

## FLEXIBLE WEEKENDS — FAMILY OR BOARDING LIFE

Students can choose: spend the weekend at home with their families, or stay at the boarding school to enjoy a diverse weekend program. Six weekends each year are full-board events for everyone, featuring cultural activities, sports competitions, and creative projects.

29 | 30

## STRONG COMMUNICATION SKILLS

Within a supportive community, our students develop confidence and communication skills. They learn how to express themselves, take social responsibility, and work effectively as part of a team — skills that last a lifetime.

30 | 30

## A FAMILY-RUN BOARDING SCHOOL

Kirsten and Mario Lehmann manage *Schloss Torgelow Boarding School* and the *Kurpfalz Boarding School* near Heidelberg, founded in 1961, now in their family's third generation. Their personal commitment gives both schools a unique spirit and a warm, family-like atmosphere. They look forward to meeting you in person.
